3.	V. Subbarattu Pille Amildar, Kadur Taluk.	13	30	270 x
	x Includes journey made to Sagar to give evidence in a Criminal case.			
4.	B. Ramaswamiah. Amildar Chikmagalur Taluk.	6	32	156.

Attended to collection work. The Amildar explains that owing to heavy monsoon and to his having had to remain in charge of the Treasury for some days owing to charge of Shiristedars, he was not able to do more Tinneration. The monsoon has been unusually severe this year at Mudgere and the Amildar's explanation of deficient Tinneration is therefore sufficient. The revenue arrears are unduly heavy. Amildar has been directed to make special efforts to collect them.

Inspected tanks & wells -

Attended to village sanitation. The Amildar failed to do any Tinneration between 16th and 25th July. The omission is a serious one in view of this Amildar's previous deficiencies in the same matter.

The Amildar was on 4 days leave during the first Fortnight and in the 2nd Fortnight he had to go to Sagar and return in connection with a Criminal case. Attended to Sanitation of villages he inspected. Tinneration moderate.

Attended to Collection work. Amildar has made detailed Inspection of the villages he visited as regards revenue trees, bunds, sanitation &c. The amount of Tinneration considering the season is fair. Remarks passed on diary for the 1st Fortnight "This Diary is satisfactory. It shows that the Amildar has been energetic as usual & has been doing useful work."

5.	S. Subba Rau. Amildar, Koppa Taluk.	11	29*	181.

Attended to avenue trees, bandhs, inspected Police Stations, &c.

Attended to collection work, bandhs, avenue trees Inspected Munsif Temple &c. The Amildar explains that owing to incessant rains and heavy flood, he was not able to do more itineration.

The Deputy Amildar appears to have done as much itineration as was reasonably possible in the heavy rains and considering the season, the itineration is not unsatisfactory.

The Amildar of Sirsi held only one day sah of Head Quarters. There is something in the explanation offered that he was detained by accumulation of criminal work, but he has not the excuse of very heavy rains as in the more purely Malnad Talukas and should so arrange his Head Quarter work, as to comply with the clear order of Government concerning the length of stay outside. He should send a fortnightly statement and not one only for the whole month as he has done this time.

Except the Amildars of Shikarpur Sagar and Honnali, all the others have failed

to camp out for the required number of days
in the month. The heavy rains must in
some cases be accepted as a good excuse
but they did not deter the Auditor of days
from being out on circuit for 12 days.

Of course going about frequently
by itself is not the only test of useful activity
on the part of an Auditor: but when a rule
has been laid down for guidance repeated
warnings ought not to be necessary for its
being scrupulously obeyed. Surely 20 days
stay in a month ought to be sufficient
to dispose of any portable quantity of
head Quarter work. It is therefore hoped
that there will be no further occasion to
call attention to this matter.

I am addressing a separate report to Government.
I have directed all the Amildars and Deputy

Venkat Rao, a Munsiff of Sangareddy was on leave during the month under review.

The inspection done by the Munsiffs of Jogipet, Nagarkurnool, Kandukur and Sangareddy is very unsatisfactory, they having camped 16 on 6, 5, 5, 5 days respectively during the month.

The Munsiffs of Yemmiganur, Adoni, Nandyal, Dharmavaram, Proddatur and the Dy: Munsiff of Tenali A & P are warned against their itineration staying about 7 or 10 days again.

The itinerations done by Peddapuram Munsiff is satisfactory being 16 days.

The attention of the Munsiffs of Gudivada, Narasapur, Bezwada, Kovvur, Bapatla and Gudivada is drawn to the fact that they still continue to frequent the villages nearer to Sub: Head Quarters without visiting the interior.

Munsiffs report having inspected Choultries and Avenues, but they should mention any thing about the results of their inspections. They should also report the Conditions and the steps taken towards improvement of the same.

No mention is made by the Munsiffs

Deputy Commissioner's remarks.

No attention has been paid to the keeping of Superintendents Accounts and village Sanitation. The lists of Taluks inspected has not been submitted as required by the Circular orders on the subject. The Sanitation and Inspection work Satisfactory. —

Sanitation and work fair. Had engaged in Taluk Jamabundi and making arrangements for the Resident's tour. Hence the number of camping days short by two days. The village sanitation has not been attended to nor any Taluks been inspected. —

Both the Sanitation and Inspection work unsatisfactory.
Explanation called for.

Inspection work and Sanitation being satisfactory. Lists of Taluks inspected has not been submitted

Note The number of villages visited ought to be detailed and numbered consecutively in Column 2. of the Diary and not in the Abstract as it is now being done.

of Bangalore has been drawn to the fact that the number of days he camped out is one day less than the minimum prescribed by Government.

2. The similar short itine= =ration by 2 days of the Nelamangala Amildar is due to his transfer to this taluk from Hosadurga. His diary shows that before he took charge of Nelamangala on the 6th. he had halted out for a day while in Hosadurga and 2 days were spent in travelling.

3. Deputy Amildar ~~of~~ Krishnaswamiengar explains that he could not visit a large number of villages while in Closepet, as from the 1st to the 13th of the month he was in charge of both the Chennapatna and Closepet ranges and had to attend to their Criminal and other works. His explanation is accepted.
